Preview of 2017 trips

Ahoy! All hands are invited to participate in the launching of our 2017 sailing year. We've much in store! A cash bar will await you and a slide show of photos taken during our BVI, OWT, Solent and Channel Islands trips, not to mention our recent trip to the Grenadines! There'll be several displays highlighting the exciting trips that we've planned for the 2017 sailing season. Trip leaders will be standing by to explain trip details and to receive your trip deposits. Trip registration forms and information packages will also be available. During our full course deli buffet, we'll enjoy a brief business meeting and participate in the installation of our new board members. Immediately following, there'll be prizes to be won, in between individual trip presentations.
